The Tippecanoe County Adult Drug Court is Granted a Three-Year Certification by Indiana Judicial Center

The Indiana Judicial Center visited the Adult Drug Court on March 28th and 29th 2006 for a review to ensure program compliance with the Drug Court Rules. Tippecanoe County Adult Drug Court, a Court Services program, supervised in Superior Court Six was granted a three-year certification to replace the provisional certification granted in March 2005.

The Adult Drug Court has scheduled an informational luncheon; open to the public, on Thursday May 11th from 12:00 p.m. to 1:30 p.m. at Court Services (117 North 4th Street, Lafayette). The luncheon is in recognition of May as National Drug Court Month as proclaimed by the National Association of Drug Court Professionals. Mary Kay Hudson from Indiana Judicial Center will present presiding Drug Court Judge Michael Morrissey with a certificate recognizing the three-year certification.
